“Offer hospitality to one another... serve others, as faithful stewards of God’s grace” 1 Peter 4:9-10. We are honored to serve your family. Our Hospitality Committee consists of loving church volunteers who want to support you by offering a small reception in Huffman Hall. This is our gift to you.

Our standard reception lasts for an hour after the end of the service, providing light snacks and drinks.

For everyone’s safety, we strive to provide items that are easily served with minimal handling...

- Drinks: We can provide water and punch. Upon request, we can offer iced tea or coffee.
- Food: We can provide cookies, cheese & crackers, a fruit plate, or a vegetable plate.
- Plates, napkins, cups, etc. are included.

Typical Room Setup: 2-3 serving tables for food and drinks. 6-7 round tables for seating plus standing room. All tables have cloth tablecloths with silk floral centerpieces. Upon request, we can offer a guest book table, family photos/mementos table, projector for a slideshow, or sound system with a microphone.

Custom Arrangements: If you would like to change from the standard offering listed above, please contact us to discuss. If you wish to add more/different food, you are welcome to, but at your own expense and we must know in advance to alter the room setup. Any leftover food will be given to you at the end of the reception, please make plans to take it with you when you leave.

Outside Caterers: If you would like to use your own professional caterers, you are welcome to, but please contact us to discuss.
